INDEPENDENT AUDITOR'S REPORT

We have audited the accompanying balance sheet of Hopper Securities of Vermont (a proprietorship) as of December 31, 2002 and the related statements of income, owner's equity, and cash flows for the year then ended. These financial statements are the responsibility of the owner. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by the owner, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly in all material respects, the financial position of Hopper Securities of Vermont as of December 31, 2002 and the results of its operations and its cash flows for the year then ended in conformity with generally accepted accounting principles.

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2002

A. BASIS OF ACCOUNTING

Hopper Securities - Vermont, a proprietorship is engaged in the securities broker business. The business operation receives and purchases securities per customer's request and operates primarily in the Chittenden County area of Vermont. The company's financial statements are presented in accordance with generally accepted accounting principles.

B. SEGREGATED CASH

A special account for specific customer funds received on the sale and purchase of security investments for the customer.

C. ACCOUNTS RECEIVABLE

The accounts receivable are stated at net realizable value. Owner believes no allowance for bad debts is necessary as of December 31, 2002.

D. PROPERTY AND EQUIPMENT

Property and equipment are reflected at cost and depreciated on the straight-line method.

E. INVESTMENTS

The owner classifies its marketable equity securities as investment. Realized gains and losses are included in earnings based on the period the specific identifiable stock is sold. Unrealized gains or losses are reported in other comprehensive income. The owner must maintain a minimum capital in the form of cash and marketable securities. The investments are reflected at cost on the balance sheet versus fair value which is a departure from Generally Accepted Accounting principles.

The investments are as follows:

	<u>Shares</u>	<u>Cost</u>	<u>Unrealized Gain (Loss)</u>	<u>Fair Value</u>
International Business Machines Inc.	3,142	\$ 62,565.58	\$180,939.42	\$243,505.00
NASDAQ Warrants	300	3,300.00	(3,300.00)	-0-
NASDAQ Common Stock	300	3,900.00	(3,900.00)	-0-
Oracle Corporation	600	<u>4,124.85</u>	<u>2,355.15</u>	<u>6,480.00</u>
TOTAL		<u>\$ 73,890.43</u>	<u>\$176,094.57</u>	<u>\$249,985.00</u>

F. INCOME TAXES

The proprietorship itself is not a taxpaying entity for purposes of federal and state income taxes. Federal and state income taxes of the proprietor are computed on his total income from all sources, accordingly, no provision for income taxes is made in these statements.

G. USE OF ESTIMATES

The preparation of financial statements in conformity with generally accepted accounting principles requires the owner to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

I do affirm that there are no assets, liabilities, and accountabilities, contingent or otherwise, which apply to this business that are not recorded on our business books at December 31, 2002.
